Valspar's specially designed paint system for John Deere lasts forever. Just ask a John Deere owner.

John Deere

Coca-Cola® and Valspar have been making history with their products for centuries. Valspar puts the red in every can of Coca-Cola®. Without the red, it would be just a can of regular soda.

Coca-Cola®

With the first 'varnish that won't turn white' Valspar® led the way in unparalleled appearance, durability and ease of paint application in the early 1920's. It is no wonder it was the perfect paint for Charles Lindbergh's "Spirit of St. Louis" and his 1927 historic flight from New York to Paris.

The Spirit of St. Louis

Innovation that endures, paint that lasts.

Quality Edge has a history of firsts and, equally important, we have a tradition of new ideas that stand the test of time.

We partner with vendors (Valspar), builders, distributors, remodelers and architects who are leaders in the industry to come up with new, creative ideas and the best products. We seek individuals with imagination to brainstorm new approaches – individuals that understand what works and what will keep working for the future!

Many boast of a Lifetime Warranty, but in the fine print, some warranties only have 25 years or less of coverage on important items like fading or chalking

Q800 TuffTech

Standard Acrylic

8 mills of paint

4 mills of paint

Q800 TuffTech finish uses a full .008 mills of paint, compared to many acrylic paint systems which need a primer and only use .004 mills of color paint.

More Paint

Q800 TuffTech finish is designed to provide the kind of tough finish you need to resist peeling, cracking, chipping or delaminating.

Superior Paint Adhesion

Q800 TuffTech

Standard

The Q800 TuffTech finish provides the color retention you desire and the protection you need. While many warranties don't cover chalk or fade and limit coverage to higher fade and chalk scales, the Q800 TuffTech finish provides warranty coverage at just 8 units chalking (on a scale of 10-1, 10 being the best) and 5 units fading (on a scale of 1-10, 1 being the best).

Surface strength you can depend on. ASTM tests demonstrate how the finish performs compared to acrylic systems from a stain and scratch perspective.

Lifetime Warranty

Subject to the following terms and conditions, Quality Edge warrants that the painted Q800 TuffTech™ metal building products identified in the attached Warranty Certification and Registration Card, and installed on the property identified on the Warranty Certification and Registration Card, will be free of manufacturing defects and will not peel, check, chip, or crack for the lifetime of the products (except for such crazing or slight cracking as may occur on tightly roll formed edges or break bends of severe embossing, which is accepted as standard), and, if used as intended, color change in the products will not vary more than five (5) Hunter E units and chalk in excess of eight (8). Color difference units are determined by ASTM method D-2244-02. Chalk erosion ratings are determined by standard methods for evaluating degree of chalking ASTM D-4214-98 method A (D659) (hereinafter collectively the "Lifetime Warranty").

Warranty Transfer, Duration, & Costs

The Lifetime Warranty shall remain in effect for the duration of the life of the property if the property continues to be owned by the original homeowner who installed the Quality Edge products. The Lifetime Warranty may be transferred from the original property owner who installed the Quality Edge products on the property to the next and second owner of the property within thirty (30) days after the property is transferred. To remain an effective Lifetime Warranty, notification of the transfer must be made in writing to Quality Edge within that thirty (30) days, and include the name of the original owner, name of the new owner, property address, description of products installed, and date of installation, and signature by the new owner that the new owner will abide the terms of the Lifetime Warranty. No other transfers shall be effective, and the Lifetime Warranty will otherwise become null and void. Upon proper transfer, the Lifetime Warranty will be limited to 75 years from date of transfer. During this period, Quality Edge, for the repair, replacement, or pro rata refund provided in its discretion, will be responsible for 100% of expenses in the first 25 years, 50% of expenses between 25-50 years, and 25% of expenses between 50-75 years. Remaining costs for repair or replacement must be paid by the property owner. Notwithstanding any transfer, this Lifetime Warranty shall be limited to 75 years only, in total, if the property is owned by any organization that has the ability to endure generations, such as a corporation, partnership, group, association, or government agency.

Warranty Service

If Quality Edge painted metal building products exhibit a defect covered by the Lifetime Warranty, a claim must be made in writing by registered or certified mail, within the warranty period and within thirty (30) days following discovery of the defect, to Quality Edge, Warranty Services Department, 2712 Walkent Drive NW, Walker, MI 49544, describing the defect and providing the homeowner's name, property address, date of installation, and a copy of this certificate. Failure to provide this notice as required shall constitute an absolute waiver and release of all claims the property owner may have, and Quality Edge shall have no liability, under this Lifetime Warranty or otherwise, for that claimed defect. As a condition to any claim under this Lifetime Warranty, Quality Edge and its agents must be provided access to the products for inspection, testing, repair and/or replacement. Reasonable time should be allowed for inspection, repair, or replacement purposes. If Quality Edge determines in its sole discretion that a claim is valid, Quality Edge will, only and at its option, repair or replace the failing part or material or make a pro rata refund of the initial purchase price for the defective portion of the product. If Quality Edge, in its sole discretion, determines to replace any defective portion of its product, and if the product as originally installed is no longer available, Quality Edge shall have the right to substitute product that, in its determination, is of equal quality. A color variance may occur between any new replacement product in comparison to the originally installed product due to weathering exposure and is not indicative of a defective product. If, at Quality Edge's sole option, a purchase price refund is conveyed to the property owner, the Lifetime Warranty shall terminate. Any refund shall be limited to the original purchase price of the Quality Edge product.

Warranty Exclusions

The Lifetime Warranty applies only to painted metal building products installed in the fifty (50) United States and District of Columbia. No Lifetime Warranty shall exist without proper registration. The Lifetime Warranty does not cover any other costs, damages, defects, or failures, including without limitation those caused by occurrences beyond Quality Edge's control, such as settlement of a structure, failure of the structure (including foundations and walls), use of incompatible accessories, faulty or improper installation, any re-installation of the products, normal weathering, use of harsh or abrasive chemicals, chemical pollutants, corrosive or finish-damaging conditions, normal fading, animals, fire, flood, lightning, windblown objects, earthquake, hurricanes, corrosive atmospheres such as those contaminated with chemical fumes, pollution, acid rain, or salt spray, either directly applied or in the atmosphere, atmospheric conditions or weather of catastrophic nature as defined by the U.S. Weather Bureau, other acts of God, war, vandalism, attachment/adherence of items such as snow guards or solar panels to the product, intentional or negligent acts, unreasonable use, or failure to provide prescribed or reasonable maintenance. At a minimum, the original customer purchaser and any second owner shall comply with the following maintenance obligations:

- Due to dirt or other substances that may build up around or on the metal products, annual spray cleanings with a garden or pressure hose must be performed to help maintain performance excellence. Additional periodic cleaning may be required in regions where excessive tree sap, hardwood tree tassels, and/or pine resin are prevalent.

The geographic location, the quality of the atmosphere, and other local factors over which Quality Edge has no control, may contribute to the severity of conditions. As with all standard coating warranties, industry standards and best practices, products are not suggested for use within 1500 feet of salt water or salt-spray and are not warranted within these distances. Installing next to treated lumber, use with dissimilar metals, or painting the specially coated product will void the Warranties. Normal weathering and the natural aging process may cause the colored surface to uniformly fade, darken, chalk, or acquire a surface accumulation of dirt and stains, so these conditions are not covered by the Lifetime Warranty. Non-uniform fading and color change resulting from unequal exposure of the painted metal building products to the sun, elements, or other things outside Quality Edge's control are not covered by the Lifetime Warranty.

• Limitations on Rights

There are no other warranties other than that stated herein. No employee, representative, or agent of Quality Edge, nor any other person, including any installer, contractor, or applicator, has authority to modify or expand this Lifetime Warranty, to waive any limitations, conditions, or exclusions of the Lifetime Warranty, or to assume or incur on behalf of Quality Edge any obligation or liability in place of or in addition to the Lifetime Warranty. THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. THE REPAIR, REPLACEMENT, OR REFUND PROVIDED HEREIN IS EXCLUSIVE AND IN LIEU OF ALL OTHER REMEDIES. QUALITY EDGE SHALL HAVE NO LIABILITY TO ANYONE FOR CONSEQUENTIAL, SPECIAL, INCIDENTAL, INDIRECT, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND WHATSOEVER, INCLUDING WITHOUT LIMITATION PERSONAL INJURY, DEATH, PROPERTY DAMAGE, LOST PROFITS, LABOR COSTS, OR ANY OTHER PECUNIARY DAMAGE, WHETHER DUE TO ANY DEFECT IN THE PRODUCTS, BREACH OF THIS AGREEMENT, DELAY, NON-DELIVERY, NON-PERFORMANCE, RECALL, OR ANY OTHER REASON. ALL CLAIMS IN TORT, STRICT LIABILITY, AND FAILURE OF ESSENTIAL PURPOSE ARE WAIVED, RELEASED, AND EXCLUDED, INCLUDING CLAIMS OF QUALITY EDGE'S NEGLIGENCE. QUALITY EDGE SHALL NOT BE LIABLE TO THE PURCHASER IN TORT, STRICT LIABILITY, OR ANY OTHER LEGAL OR EQUITABLE THEORY FOR ANY DEFECT IN THE DESIGN OR MANUFACTURE OF THE PRODUCTS, OR FOR THE OMISSION OR ALLEGED INADEQUACY OF WARNINGS OR INSTRUCTIONS ACCOMPANYING THE PRODUCTS. UNDER NO CIRCUMSTANCES SHALL QUALITY EDGE'S LIABILITY FOR ANY DEFECT IN THE GOODS, WHETHER BASED ON CONTRACT, TORT, WARRANTY, STRICT LIABILITY,

OR ANY OTHER THEORY, EXCEED THE PURCHASE PRICE OF THE PRODUCTS. THERE ARE NO THIRD-PARTY BENEFICIARIES TO THESE TERMS. THESE PROVISIONS PROVIDE SPECIFIC LEGAL RIGHTS AND LIMITATIONS. SOME MAY NOT APPLY BASED ON STATE LAW, AND OTHER LEGAL RIGHTS MAY EXIST. CUSTOMER ACKNOWLEDGES AND DECLARES THAT THESE LIMITATIONS AND WAIVERS HAVE BEEN BROUGHT TO CUSTOMER'S ATTENTION, THAT CUSTOMER HAS READ AND UNDERSTANDS ALL TERMS AND AGREES TO BE SO BOUND, AND THAT CUSTOMER'S RECEIPT OF THESE WARRANTIES AND THE PRODUCTS, AND ANY PAYMENT FOR AND REGISTRATION OF THE PRODUCTS, SIGNIFIES THAT CUSTOMER HAS VOLUNTARILY AND KNOWINGLY CONSENTED TO ALL TERMS, INCLUDING THE WAIVERS AND LIMITATIONS CONTAINED HEREIN.

Alternatively, and at Quality Edge's sole election, any dispute arising out of or relating to this Lifetime Warranty and other terms herein shall be submitted to binding arbitration in Grand Rapids, Michigan in accordance with the rules of the American Arbitration Association. Any award ordered in such arbitration shall be enforceable in any court of competent jurisdiction. In the event any suit is brought against Quality Edge in violation of these terms or for claims waived or released herein, the person agrees to pay Quality Edge's attorney and paralegal fees as well as costs to defend such suit.

• **Quality Edge's Rights**

Quality Edge has all rights and remedies given to sellers by applicable law, and its rights and remedies are cumulative and may be exercised from time to time. No waiver or novation by Quality Edge shall be effective unless in writing signed by Quality Edge. Quality Edge shall not lose any right because it has not exercised that right in the past.

• **Miscellaneous**

If any provision or individual term herein is invalid or unenforceable under any applicable law, the provision or term shall be ineffective to that extent and for the duration of the illegality, but the remaining provisions and terms shall be unaffected.
